

NEW ARTIST ALLEY

This is the place for discovering creative talents at Manga-Comic-Con. In the New Artist Alley, they will be showcasing their ideas for manga, comics and more. The colorful Artists' Mile presents the artists' own comics, manga and dojinshis. Posters, stickers, buttons, artwork, cocoa cards and self-produced merchandising can also be discovered. All products can be purchased directly on site. Many artists will be drawing live at their stands and signing Con Hons.

It is intended for artists and craftspeople offering only handmade products. Exhibiting here gives young creatives the opportunity to show their work to a wider public and establish contacts within the industry.

There is no entitlement to a specific stand allocation in the New Artist Alley. However, we will try to fulfil any requests made on the exhibitor registration form.

All exhibitors at Manga-Comic-Con should pay particular attention to section 1.11 on „Products“ in the Special Conditions of Participation. This section explains what may and may not be sold. Here are the most important points:

- Compliance with copyrights, rights of third parties and applicable German laws is mandatory.
- Many of our visitors are minors and regulations designed to protect them must be strictly observed. Under-age visitors must not have free access to items and products that are unsuitable for young people, glorify violence or are pornographic.
- When selling lucky bags, grab bags or similar items, exhibitors must ensure that buyers can see which products are included. The value of the goods contained in lucky bags must be at least 90% of the selling price. Exhibitors in the Artist Area and New Artist Alley exhibition areas may also sell their handmade products and artwork in lucky bags or similar items.
- Leipziger Messe GmbH tolerates the sale of fan art in the Artist Area and New Artist Alley, provided the exhibitor does not violate applicable German law. However, fan art should constitute not more than 50% of an exhibitor's product range.
- AI-generated products and items may not be exhibited or sold.

In the New Artist Alley, it is prohibited to let, sublet or share your table and exhibit with more than the registered number of participants. Any violations can lead to exclusion from the current event as well as future events.

Cancellation of registration by the New Artist Alley exhibitor must be delivered to Leipziger Messe GmbH in writing. For cancellations before the registration approval has been sent out, a fee of **EUR 200.00** will be charged. For any later cancellations, **the full exhibition space rental will be charged**, irrespective of whether the space is later taken by a different artist.

We wish you lots of luck in the lottery!
